Dear Ms. Frastai:

The Jubilee Center of South Broward, Inc. is requesting financial assistance in the amount of \$2,000 from the City of Hallandale Beach for Fiscal Year 2008-09, October 1, 2008 through September 30, 2009. Please consider the following data from calendar year 2007 regarding Jubilee Center services to poor and homeless persons and families who indicate Hallandale Beach as their "place" of residence:

1. 230 unduplicated persons from Hallandale Beach received services from the Jubilee Center Office of Social Concerns, including transportation vouchers to medical appointments and job interviews, hygiene kits, emergency food packets, clothing and shoes and referrals to appropriate social service agencies for further assessment and assistance. Approximately one-half of these 230 clients were from families, many of whom had lost their jobs and/or were headed by single parents. This is a substantial increase from 2006 data and reflects the current economic times and continuing community needs.
2. 287 unduplicated persons from Hallandale Beach have received hot, nutritious luncheon meals. Jubilee Center is the only agency in South Broward County providing a feeding program to poor and/or homeless persons five days a week, fifty-two weeks a year.

Contributions are tax-deductible under IRS Code Section 501(c)(3). A copy of the official registration and financial information may be obtained from the Florida Division of Consumer Services by calling 1-800-435-7352. Registration does not imply endorsement, approval or recommendation by the state.

Two residents from Hallandale Beach are presently participating in a federal grant awarded to the Jubilee Center. This grant focuses on the rehabilitation of persons with re-occurring drug and/or alcohol addiction leading to homelessness and is one of the most successful programs in the State of Florida.

The Jubilee Center acknowledges that the City of Hallandale Beach has been a generous contributor to the Jubilee Center in prior years and is aware that governmental finances are very tight at this time. However, based on the increasing number of needy Hallandale Beach residents receiving benefits from the Center, it is requested that the funding request be granted.

Sincerely,

A handwritten signature in black ink that reads "William Bliss". The signature is written in a cursive, flowing style.
